

IOLTA/IOTA

Prime Partner

BANKING ON JUSTICE

The Ohio Legal Assistance Foundation, administrator of the IOLTA/IOTA Program, announces the Prime Partner Program. The Prime Partner Program will publicly showcase financial institutions who demonstrate a commitment to the Foundation's efforts to improve access to justice for low-income Ohioans.

Prime Partnership Benefits

- Recognition on the Foundation's and Ohio State Bar Association's websites.
- Acknowledgement at the Ohio State Bar Association's annual convention.
- Promotion in Foundation, Ohio State Bar Association and other trade association materials.

Ohio's IOLTA/IOTA Program is one of the most successful public-private partnerships in Ohio, funding civil legal services in the state for almost 30 years.

How to Become a Prime Partner

Financial institutions will be invited to apply for Prime Partnership annually. Foundation staff will review the applications, assessing the financial institutions' commitment to and involvement in legal services. Financial institutions meeting the established criteria will be placed on the Foundation's "Honor Roll." The top ten percent of Honor Roll depositories will be recognized as **Prime Partners**.
